Motivation

I'm looking for a place
in **Budapest** where:

- code quality, knowledge sharing and continuous improvements are driving forces
- cowboyism and "good enough for now" mentality is discouraged

I'm mainly interested in
microservice architecture, cloud,
Spring Boot and Reactive stacks.

Other skills

Languages:

- Hungarian (mother tongue)
- English + + +
- Romanian + +
- German - -

Fan of Clean Code & TDD

Learning Go, React (TS) and
workflow engines
